

## Picture Order Form

To order pictures, you need to know the picture #. This can be found by either hovering the mouse over the thumbnail in the index view or clicking on the picture.

Cost: \$3 per picture (Normally \$5, but since I am so delayed in getting last year's pictures out...)

Format: Pictures will be emailed to you. You are welcome to print and duplicate at your own convenience. Each picture is 2-3mb; therefore you will have to have enough space in your inbox to receive the pictures. If you come by the pool with a jump drive, they can be uploaded for you. Or for \$1 we could burn them to cd for you. This would have to be during our open hours.

To order pictures, simply complete the following information, print and mail this form along with payment to the address listed below. Payment can be check or money order made payable to Jennifer Hill. Once I receive it, I will email you the requested files.

Date Requested: \_\_\_\_\_ (Please print clearly)
